New Gisborne Primary School presents

Maths for Parents

Monday 16 February 2015
from: 7:00pm - 8:30pm in the NGPS Library

Presenter: Michael Ymer

Michael Ymer, a highly regarded specialist Mathematics consultant, is returning to NGPS to present another Parent Information Session. Michael is an enthusiastic and entertaining presenter who has a clear and practical approach to the challenges that confront schools and parents in Mathematics.

Participating in Michael's session will help you understand the focus of Mathematics in primary schools today and provide you with strategies and ideas to help you support your young mathematicians.

Michael will run several activities that you can get involved in to get the feel of the type of mathematics that their children are doing.

Please note that the content of this session will vary from the previous sessions that Michael has presented so we encourage everyone to attend.

If attending, please return the reply slip by Thursday 12th February.
